The customer must provide their latest statement, dated within the last 12 months.	The following will need to be documented; <ul style="list-style-type: none"> • The current value of the investment with the 20/50% deduction applied. <p>The value of any intended future contributions must be converted in to a monthly amount and input in the <i>'Payment to fund strategy for int only mortgage'</i> field under Monthly Costs in Omega</p>

Sale – Other prop	<p>A second home or a Buy to Let already owned by the applicant(s), using a maximum of 75% of the valuation, minus any secured lending.</p> <p>It cannot be a commercial property, the customer's main residence (current or intended), or, for residential applications, the property this mortgage is for</p>	<p>The latest mortgage statement (dated within the last 12 months) if any secured lending is held.</p> <p>A Solicitor's letter confirming ownership of the property OR a Register of Title from the Land Registry OR an automated District Land Registry search (DLR)</p> <p>A current professional valuation (PV), independent of HSBC OR for England & Wales only, an AVM of the additional property dated within the last 12 months. Please note that a PV WILL be required where the AVM does not meet our criteria.</p>	<p>The following will need to be documented;</p> <ul style="list-style-type: none"> • The calculation of 75% of the valuation minus any secured lending • The details of the other property (address and whether 2nd home or BTL)
--------------------------	---	--	--

For joint mortgage applications a repayment strategy in the name of one or both of the applicant's names is acceptable, but where a party who is not on the mortgage application is a one of the holders of the repayment strategy, this cannot be used. For sole applications the Shares, Investments, property, savings balances, endowment policies or ISA's must be in the name of the applicant only.

Care:

The suitability of any repayment strategy will never be recommended by the bank
