

Application Amendment Form

Amending your customer's mortgage application

Once you have submitted an application to us, please use this form if you need to amend the details of your customer mortgage application. Please note that change of solicitor details can be accepted via the telephone by calling the Broker Support Helpdesk on 0345 600 5847.

Rate change requests (with no other required changes) can be requested via our Chat with us service.

Depending on the nature of the changes being made, a further credit check and further supporting document(s) from the applicant(s) may be required. By submitting this form you are confirming that you have checked there has been no change to the customer(s) circumstances. If there has been any change to the customer(s) circumstances please notify us. You are also confirming that you have obtained the customers' consent to a further credit check. Any requested changes will be subject to a further underwriting assessment.

1. Check the Loan section of the Residential lending criteria to ensure that any changes are within our LTV policy restrictions
2. Complete the section titled "Application details"
3. Tick the section(s) below that you wish to amend and give a brief summary of why the change is required
4. Complete the relevant data fields for each section of the application that you wish to change (you do not need to fill out the whole form)
5. Upload a scanned copy of the document via the secure upload facility on the Case Summary screen within the HSBC intermediary platform
6. Where an application has been approved and completion is imminent, if an amendment to the lending is requested, you must ensure any acting Solicitors / Conveyancers are informed of the change.

If your request is for any of the reasons below, we would not be able to action this via this form, you must submit a new mortgage application in these instances:

- To add or remove an applicant
- To change the type of borrowing, e.g. change from Purchase to Remortgage or Residential to BTL
- If we have already received the Certificate of Title from the Solicitors acting.

Please be aware that any revised offer that is generated will retain the original offer expiry date.

You must inform us if you wish to cancel a submitted case. Many of our processes in the application journey are now automated, therefore the case may reach completion if you do not advise us that it should be cancelled.

Offer Extension Request - Purchase cases only

Apply up to 30 days before original offer expiry date. An offer extension request can be made for 90 days for a New Build (under construction) property or 30 days for a non-New Build property. Please note only one Offer Extension is permitted per application

Why is the change required?

Changes to loan requirements

If the loan amount changes we will re-assess affordability and the maximum amount of borrowing allowed may change. Where you are requesting an increase in lending, if the overall LTV remains within the original LTV bracket then you can retain the original rate (for the original amount). Any new lending will require a current rate.

Please note: If capitalising the booking fee, the total lending amount must not breach any policy LTV limits and/or maximum salary multiples.

By instructing any capitalisation of fees you are confirming that the customer is aware and consenting of this. If you require the application to be moved to a new product and a different fee amount applies to the new product, our team will need to return any refundable fees paid on the previous product and collect any new fees on the replacement product from the customer. We will notify you upon receipt of this form to advise of required action.
